

Kyle Framson is a broker associate at The Zall Company, primarily focusing on retail leasing.

His previous experience includes monitoring of blueprints for code compliance for a construction management firm with tenants including Target, Costco, Safeway and other retail merchants. Mr. Framson also has experience with on-site management of business liquidations after bankruptcies and reorganizations for a large online liquidation company.

Mr. Framson received his BA degree in economics from the University of Colorado at Boulder.
